## **Letter to all our 2017 Series Racers,**

The Jamestown Yacht Club Race Committee would like to inform you of the Coast Guard (CG) requirements regarding our event permit for the JYC racing.

The race participants are not exempt from any Federal, state, or local laws or regulations, including no-wake zones.

Per our JYC Sailing Instructions, paragraph 17.2, all participants are required to follow Rule 9 of the Navigation Rules, which prohibits interference with vessels than can only navigate within areas considered "narrow channels or fairways". Narragansett Bay has been designated a Restricted Channel and sailing vessels do not automatically become "stand-on" or "privileged" by virtue of participation in the racing event, i.e., do not have right of way over a vessel under power which may be restricted in her ability to maneuver.

In decreased visibility (less than 2 nautical miles), race participants must comply with the COLREGS sound signal requirements.

Additionally, JYC racers are reminded of the requirements, per paragraph 17.1 of the JYC 2017 Sailing Instructions, to check-out with the JYC Race Committee if withdrawing from a race for whatever reason, as we must notify the CG when all our boats have finished racing.

All JYC race participants are reminded that operating in a negligent manner (as determined by the Coast Guard) may cause our racing series to be terminated.

Thank you for your attention to the above and your cooperation on the race course.

Sincerely,  
Cheryl Rienzo  
JYC Fleet Captain / RC Chairperson

**JYC 2017 Racing Season**  
Spring Series, Summer Series, Crew Rotation Race & Fall Series  
*Jamestown Yacht Club*  
Southern Narragansett Bay, RI

**SAILING INSTRUCTIONS**

**1 RULES**

- 1.1 The regatta will be governed by the rules as defined in *The Racing Rules of Sailing for 2017-2020*, these sailing instructions and any amendments thereto, and the respective notice for each series.
- 1.2 The principles of Performance Handicap Racing of Narragansett Bay (PHRF-NB) will apply.

**2 NOTICES TO COMPETITORS**

Notices to competitors will be posted on the JYC Home Page (<http://www.jyc.org>) at least 24 hours before the race that the changes take effect.

**3 CHANGES TO SAILING INSTRUCTIONS**

Any change to the sailing instructions will be posted before 0900 on the day it will take effect, except that any change to the schedule of races will be posted by 2000 on the day before it will take effect.

**4 SIGNALS MADE ASHORE**

- 4.1 Signals made ashore will be displayed at the Conanicut Marina. The Abandonment/Cancellation will be announced on the JYC Racing VHF channel.
- 4.2 When flag AP is displayed ashore, '1 minute' is replaced with 'not less than 30 minutes' in the race signal AP.

**5 SCHEDULE OF RACES**

- a) Spring Series: 5 races, Tuesday evenings May 9 – June 6, 2017.
- b) Summer Series: 10 races, Tuesday evenings June 13 – August 22, 2017, with exception of July 4, 2017.
- c) Crew Rotation Race: Tuesday evening July 4, 2017.
- d) Fall Series: 5 races, Tuesday evening August 29 and Sunday afternoons September 10 – October 1, 2017.
- e) The first warning signal for each of the above series and specialty race is as stated in the notice of race series announcements later in this circular.

**6 CLASS FLAGS**

Boats will be placed in classes at the discretion of the JYC Race Committee (designated by letters A, B, C, etc.). The number of classes and the PHRF break

points will not be determined until the first race of each series. The JYC Race Committee boat will identify the classes and their associated PHRF spread.

Class flags will be:

<u>Class</u>	<u>Flag</u>
A	Solid Yellow Flag
B	Solid Red Flag
C	Solid Orange Flag
D	Solid Green Flag
E	Solid Pink Flag

## 7 RACING AREAS

Racing will be held in southern Narragansett Bay primarily between Jamestown and Newport. The Starting Area is bounded by Special Race Mark C (NE of Conanicut YC and previously known as Special Race Mark 3) to the North, Buoy F (eastern-most red buoy marking the channel to Conanicut Marine gas dock) to the South and the Bay channel to the East. Typically, the Starting Line is at Mark C.

The JYC Race Committee may display code flag "L" and lead contestants to another starting area if racing conditions so require.

If for some reason a Race Committee vessel is not available, the JYC Race Committee will be using the Finish Line for the Start Line also.

## 8 THE COURSES

- 8.1 The JYC Series courses are defined in the course list at the back of this race circular. Additionally, the South Bay Race Chart 2015-2017, prepared by Sail Newport, designates the marks referenced on the course list in this circular. **[Note that Special Race Mark C is still designated as SRM 3 on the current South Bay Race Chart.]** Copies of this chart may be purchased for a nominal fee from Sail Newport or are available on their website [[www.sailnewport.org](http://www.sailnewport.org)]. The JYC courses are printed on the back of that chart, but in the event of any conflict between that list and the JYC race circular, the race circular will prevail.

- 8.2 **Fixed Courses:** The JYC Race Committee will display the courses as numbers or letters to be read left to right where the left-most digit (letter) designates a class and the following digit(s) identifies the course for that class. The course to be sailed is identified as a number to the right of the class designation. This course number translates to a set of marks to be rounded, the order in which they shall be rounded and the side to round each mark.

A number in parentheses after a course number indicates the number of laps to be sailed, one (1) being understood. For example, the order of marks to be taken using the designated course of "9" would be: Start, Zp, 13p, Finish. For a designated course of "9(2)" the order of marks would be: Start, Zp, 13p, Zp, 13p, Finish.

When the course signals prescribe the last mark as the finishing mark (fin), the finish line will be at the last mark.

- 8.3 **Special Courses:** A special course may be specified by the race committee utilizing the government marks and special race marks listed in this circular (and on the South Bay Race Chart). The turning marks (to the right of the class designation) will be identified in the order in which they shall be rounded and the side to round each mark.

A number in parentheses after a course string indicates the number of laps to be sailed, one (1) being understood. For example, the order of marks to be taken using the course string of "Zp13p" would be: Start, Zp, 13p, Finish. For a designated course string of "Zp13p(2)" the order of marks would be: Start, Zp, 13p, Zp, 13p, Finish.

- 8.4 The JYC Race Committee may shorten a race, *The Racing Rules of Sailing Rule 32*, by stationing themselves, or another Race Committee vessel displaying code flag S, at one of the marks of the course. The finish line shall be between the mark and the Race Committee vessel with the mark to be passed on the side as called out by the course.

## 9 MARKS

- 9.1 **Turning Marks:** Turning marks will be designated as noted on the course chart. Special Race Marks 1 and 8 are yellow plastic barrels. Special Race Marks C (previously SRM 3) and 4 are yellow spherical buoys. Mark Z is also a yellow spherical buoy with the letter "Z" thereon, located just northeast of the rock off Clark's Boatyard in the Dumplings area, approximate position 41 29.211N/71 21.351W. Mark 15 is a yellow cylinder located in Potter Cove, approximate position N41 31.261 W71 21.616, with "15" painted on two sides.

When a multiple lap course is designated as in paragraph 8.4 above, after the Start, Special Race Mark C (previously SRM 3) may be a turning mark (i.e., as the first mark of the second lap).

- 9.2 **Navigation Rules: All government aids to navigation must be observed,** except in the leg of a race where it is used as a turning mark and the following: Mark 13 (C"13") North of the Newport Bridge, and Mark V (G"17") Southeast of Gould Island.

## 10 AREAS THAT ARE OBSTRUCTIONS

The following areas are designated as obstructions: A boat shall not sail between Rose Island and the Newport Bridge or between the Dumplings and Conanicut Island. When sailing under the Newport Bridge, a boat shall use one of the three (3) center spans of the suspension section of the bridge. Additionally, Boats shall pass through only the center span of the Jamestown Bridge.

## 11 THE START

- 11.1 Races will be started by using *RRS Rule 26*. Times of signals and signal intervals are identified in the appropriate notice of race series announcements. The Race Committee may, but is not obligated to, sound a series of short blasts approximately 30 seconds before the first signal. No timing should be made from

these blasts; they are merely to alert competitors that a warning signal is about to be sounded.

Succeeding Classes will be started in alphabetical order, with the warning signal for each succeeding class made after the starting signal of the preceding class. EACH STARTING SEQUENCE SHOULD BE TIMED INDEPENDENTLY AND NOT FROM THE SIGNAL OF A PREVIOUS CLASS.

- 11.3 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other classes.
- 11.4 The JYC Race Committee will endeavour to identify recalled boats by broadcasting their sail numbers on the JYC Racing VHF channel. Failure of a boat to hear her recall notification shall not be cause for redress.
- 11.5 General Recalls will be in accordance with *RRS* Rule 29.2.

## **12 THE FINISH**

The finishing line will be between Buoy F and the Conanicut Marina main gas pier. Buoy F is located approximately 500 feet East of the marina pier. Buoy F shall be the eastern-most red channel buoy.

**Marks T or 6 as the Last Mark:** Notice is hereby given that Mark T lies to the northward of the extension of the finish line at the Conanicut Marina dock and that Mark 6 lies to the southward of such extension. You should use this information in determining which way to cross the finish line in accordance with the Definitions contained in *The Racing Rules of Sailing*.

After clearing the finish line, do not re-cross the finish line. If a competitor interferes with the ability of the Race Committee to record an accurate time for a boat's finish, he/she is subject to protest by the JYC Race Committee.

If the Race Committee is absent when a boat finishes, she should report her finishing time, and her position in relation to nearby boats, to the Race Committee at the first reasonable opportunity.

## **13 PENALTY SYSTEM**

- 13.1 At the first reasonable opportunity during, or immediately after the race, a boat which accepted a 720° Turns Penalty shall report that fact to the JYC Race Committee on the race area VHF channel and identify the boat infringed against. This changes *RRS* Rule 44.2.

## **14 TIME LIMITS AND TARGET TIMES**

- 14.1 The time limit for each series is as specified in the appropriate series notice of race.

## **15 PROTESTS AND REQUESTS FOR REDRESS**

- 15.1 In addition to the requirements of *The Racing Rules of Sailing, Rule 61.1*, Informing the Protestee, the protesting boat shall inform the JYC Race Committee of the protest and of the boat being protested, as soon as possible after finishing, either in person or via the JYC Racing VHF channel.

- 15.2 Protests and requests for redress shall be made in accordance with *The Racing Rules of Sailing, Part 5, Section A, Protests; Redress; Rule 69 Action*. The protest shall be written on a copy of the protest form found in *The Racing Rules of Sailing* (a copy of the Protest Form is provided in the back of this circular) and shall be handed in to the JYC Race Committee or mailed and postmarked, either of which no later than 24 hours after the race. Mail/fax/email written protests to:  
Cheryl Rienzo  
22 Top O' the Mark  
Jamestown, RI 02835-2438  
fax: 401.842.5219  
email: crientzo498@gmail.com
- 15.3 Parties to the protest will receive notification when and where a protest meeting will be held. Video/audio tapes and/or GPS tracking data are not admissible evidence in protest hearings.
- 15.4 Pending protests and results may be displayed on the JYC Home Page (<http://www.jyc.org>). Typically, protests will be heard within two weeks.

## **16 SCORING**

- 16.1 The low point scoring system, Appendix A, A4 (Low Point System), will be used and is modified by the rest of this paragraph. The first place boat shall receive  $\frac{3}{4}$  point. The following results, DNS, OCS, UFD, BFD, DNF, RET, DSQ, and DNE (see Appendix A, A11 Scoring Abbreviations), will be scored points for the finishing place one more than the number of boats started (including those scored as OCS and DNS) in that boat's race. DNC is not scored. Each boat's score for each series shall be the average of the boat's best N races (where N is the number of qualifying races as defined in each Series Notice). Worse scores are not discarded when prohibited by Rule 90.3(b) of *The Racing Rules of Sailing*. Only one DSQ may be thrown out per series.
- 16.2 Handicap Scoring: Time on Time is used to calculate corrected elapse times. The following equation is used.  
$$\text{Elapsed Time} = (\text{Actual Finish Time} - \text{Start Time}) * (650 / (550 + \text{PHRF})).$$
- 16.3 Results: After each race, the results will be posted on the JYC Home Page. (<http://www.jyc.org>).
- 16.4 JYC Qualifiers:

JYC Member-Racer boats that participate in the JYC Cruise Week at the same time as a Summer Series Race shall get a qualifier for that week's race. Any JYC Member-Racer skippers that participate in a yacht club team race supporting the JYC at the same time as one of the JYC races shall get a qualifier for that race (if their boat does not race in the JYC race).

A qualifier will be used as follows. If the boat with the qualifier has one less race than the minimum required, then the qualifier will give them the minimum required for the series and the scoring will be computed based on the boat's actual

number of races vice the minimum (e.g., a boat with a qualifier that has six races and seven are needed to qualify, then the boat will qualify and be scored based on the average of the six races vice seven).

- 16.5 NOTE: While not a requirement under the rules, we ask that contestants who cannot qualify for a series (for example, those joining racing at the end of the spring series or planning to participate in only the first race of the fall series) consider that their score may impact the final result of the series. We suggest that, if you know you will not qualify for a series, you voluntarily retire after finishing - that way you will know where you placed, but your score will not impact the other competitors who qualify. We stress this is entirely voluntary. In addition, this does not suggest that boats that do not qualify will not be scored, nor does it suggest that a contestant who finishes a series one or two races short of qualifying should retire from the races they competed in.

## **17 SAFETY REGULATIONS**

- 17.1 **Check-In and Check-Out:** Each boat should sail by the JYC Race Committee before the preparatory signal to identify by voice the boat sail number and class in which it will be racing. Any boat withdrawing before the start or abandoning/withdrawing from a race for any reason shall notify the JYC Race Committee as soon as possible.
- 17.2 **Narragansett Bay is a restricted waterway for commercial shipping. THE COAST GUARD HAS INFORMED ALL AREA RACE COMMITTEES THAT INCIDENTS HAVE OCCURRED WHEREIN RACING YACHTS HAVE COME TOO CLOSE TO COMMERCIAL VESSELS WITH LIMITED MANEUVERABILITY AND THAT THE COAST GUARD WILL SANCTION ANY AREA CLUBS WHOSE EVENTS RESULT IN THESE INCIDENTS. THEREFORE, ALL RACERS ARE DIRECTED TO KEEP A SAFE DISTANCE FROM ALL COMMERCIAL VESSELS AND ARE ENCOURAGED TO MONITOR VHF CHANNEL 13 IN THE EVENT COMMUNICATIONS ARE RECEIVED FROM SUCH VESSELS.**

**RACERS MUST COMPLY WITH ANY DIRECTION PROVIDED BY THE COAST GUARD, OTHER ON-THE-WATER LAW ENFORCEMENT, OR THE JYC RACE COMMITTEE.**

## **18 EQUIPMENT AND MEASUREMENT CHECKS**

The JYC Race Committee, acting as the JYC Technical Committee, may request that a boat or equipment be inspected at any time for compliance with the PHRF rules and sailing instructions by the PHRF Measurer.

## **19 ADVERTISING**

This is a Club event; other yacht club or sailing association members are invited to participate. Therefore, Competitor advertising will be restricted as follows:

- 19.1 The display of advertising on a boat is prohibited, except as may be required by class rules for those entering with their one design rating, in accordance with the World Sailing regulation 20.4.1.

- 19.2 Manufacturer's and Sailmaker's marks shall always be permitted in accordance with World Sailing regulation 20.7.

## **20 OVERBOARD DISCHARGE**

Discharge of sewage and/or non-biodegradable materials during a race will be grounds for disqualification.

## **21 RADIO COMMUNICATION**

As a courtesy, JYC Race Committee communications will be made on **VHF CHANNEL 72**. General Recalls, Postponements and Abandonment/Cancellations may be announced. Before the Warning Signal, the JYC Race Committee will also announce on VHF Channel 13 and 16 that a race will be conducted by the Jamestown Yacht Club and the location of the racing.

The JYC Race Committee may not respond to any radio communication by a competitor except for acknowledging withdrawals, protests, alternative penalties or Mayday calls.

Except in an emergency, a boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile telephones/devices.

## **22 PRIZES**

Prizes will be awarded for each race series (i.e., Spring, Summer, and Fall). First place will be awarded when at least two boats qualify for a series, second place if at least three boats qualify, and third place if five or more boats qualify.

Additionally, prizes will be awarded for the 1st in Class for the Crew Rotation Race.

The Sydney L. Wright award will be given to the JYC Member-Racer, who, in the judgment of the JYC Race Committee, had the best overall performance in the Spring, Summer & Fall series.

## **23 DISCLAIMER OF LIABILITY**

Competitors participate in the regatta entirely at their own risk. See *RRS Rule 4*, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

## **24 INSURANCE**

Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of \$50,000.00 per incident or the equivalent.

## ***Keep safety in mind:***

- Stay alert and Recognize situations
- Reduce the number of small accidents and incidents
- Be prepared should harm occur

**SAILING INSTRUCTION SUPPLEMENT**

**1 CONFLICTS**

In the event of conflicting instructions, these sailing instruction and supplement shall have precedence.

**2 ELIGIBILITY AND ENTRY**

Entrants must be a current member of a yacht club or registered fleet. No participant on any registered yacht may be a terminated former member of the Jamestown Yacht Club.

To enter, submit the Entry and Waiver forms (in this circular), a valid 2017 PHRF rating certificate by PHRF of Narragansett Bay and the appropriate fees to the JYC as described in paragraph 3 below. Mail the above forms and fees to:

Cheryl Rienzo  
22 Top O' the Mark  
Jamestown, RI 02835-2438

PHRF forms can be obtained from PHRF-NB at:

PHRF-NB  
11 Forsyth Ave.  
Somerset, MA 02726  
Phone: (401) 253-0207  
Home Page: <http://www.phrf-nb.org/>

The entry and waiver forms are provided in this circular. All the forms and applicable racing fees are required to classify a boat as registered. The JYC Race Committee cannot accept the forms and fees while on the starting line. Remember, **NO FORMS, NO RACE, NO KIDDING!!!** Do not participate in the racing if not registered; this can have an impact on the registered boats and is not fair to the registered boats. It is possible for non-registered boats that impact registered boats that are racing to be protested (see *The Racing Rules of Sailing Rule 24.1*) and possibly even barred from all racing.

- 2.1 Changes in Class: A registered boat will not be allowed to change classes if at that time the number of races left in the series is less than the minimum required for the boat to qualify in its new class for that series.
- 2.2 Change in Boat: A boat and owner combined is the registered entity. A change of boats by an owner within a series will constitute a new entry. The new boat may or may not qualify depending on how many races the owner's new boat races. This

will require a new Racing Entry Form, etc. and a \$30 fee will be levied for this 2<sup>nd</sup> entry. Change of boats by an owner between series will also require a new Racing Entry Form, etc. and a \$30 fee will be levied. In order for the old boat to race, a new Racing Entry Form, etc. must be submitted along with the regular entry fees as itemized on the Racing Entry Form and will be considered a new entry effective upon receipt of all forms and fees.

### **3 FEES**

For members of the Jamestown Yacht Club, the fee is \$50.00 per series or \$75.00 for all series and specialty events.

For non-members, the fee is \$90.00 per series or \$125.00 for all series and specialty events.

Specialty events only (i.e., Crew Rotation Race) are \$25.00 each for members and non-members alike.

There will be a \$5.00 fee credit for US SAILING members.

A late charge of \$25.00 will be added for all boats registering less than 24 hours before the first race of each series.

## **CREW ROTATION RACE NOTICE**

**July 4, 2017**

### **RULES:**

This race is not part of the Summer Series and requires a separate entry form and fee, if the boat has not registered for all of the JYC Racing Series. All rules and regulations noted in the JYC Summer Series Notice are applicable, except as amended herein.

1. Each boat must have at least three (3) crew on board.
2. Each entrant shall notify the JYC Race Committee as to whether they will race spinnaker or non-spinnaker. Typically, there is one spinnaker class and one non-spinnaker class. Should there be enough boats to warrant more classes, the JYC Race Committee may add more classes and identify on the course board the PHRF spread for each class and whether it is a spinnaker or non-spinnaker class.
3. Spinnaker boats shall race on a course with 6 legs, non-spinnaker boats on a course with 4 legs, as signaled by the Race Committee.
4. Each leg shall be sailed so that each member of the crew takes a different position on each leg so that no one sails the same position more than once, if possible.

The captain shall provide a list of the rotation used, which shall be submitted to the JYC Race Committee no later than 2 hours after the time limit. Failure to do so will disqualify the boat. The Crew Rotation Form is available at the end of this Race Circular.

5. To the extent possible, each boat shall be manned by her usual crew. The regular captain may sail only one leg of the course at the helm, but may offer instructions throughout the race.
6. Crew rotation takes place within 2 boat-lengths of a mark.
7. A boat need not sail in the same class as they were registered during the Summer Series.

COURSES: The JYC Race Committee may use these or create new ones as per this Race Circular.

SPINNAKER CLASS:

J - Zp Rp Yp 6p 13p 5.0 Miles

K - 13s 11s Tp 6s Rs 4.4 Miles

L - Zp Tp Cp (2) 4.7 Miles

NON-SPINNAKER CLASS:

N - 13s Ts Zs 2.9 Miles

CLASSES:

There will be at least two classes, one spinnaker and one working sail class.

CLASS FLAGS: Class Flags shall be as follows:

Class A	Solid Yellow Flag
Class B	Solid Red Flag
Class C	Solid Orange Flag
Class D	Solid Green Flag

STARTING SEQUENCE: *The Racing Rules of Sailing 26.*

The Warning signal for Class A will be sounded at approximately 1810. The Starting Sequence is as follows. Times shall be taken from the visual signals; the absence of a sound signal shall be disregarded.

<u>Signal</u>	<u>Flag &amp; Sound</u>	<u>Minutes Before Starting Signal</u>
Warning	Class Flag; 1 sound	5
Preparatory	P, I, Z with I, U, or black flag; 1 sound	4
One-minute	Preparatory flag removed; 1 long sound	1

The warning signal for Class B shall be made APPROXIMATELY one minute after the starting signal of Class A. THIS TIME IS ONLY APPROXIMATE AND THEREFORE EACH STARTING SEQUENCE SHOULD BE TIMED INDEPENDENTLY AND NOT FROM THE SIGNAL OF A PREVIOUS CLASS. No timing should be made from these blasts; they are merely to alert competitors that a warning signal is about to be sounded.

TIME LIMIT:

The first boat of a class must cross the finish line before 2100, otherwise the race for that class shall be abandoned. If one boat of a class crosses the finish line before 2100, boats in that class will be scored until 2130, after which any boats in that class not finished will receive a DNF, thus modifying Rule 35 of *The Racing Rules of Sailing*.

PRIZES:

A first place prize will be awarded to each participating member of the crew in each class.
